Date: January 14, 2019		EMAIL THIS SHEET IN TO THE OFFICE AFTER YOUR MEETING!!!	
Project Number#	Job Name:	Person Conducting Meeting:	

Eye Protection

We are having more and more GC's require "ANSI rated" safety glasses and this includes those of us that need prescription eyewear. As of today, if you do not have rated safety glasses, notify your foreman that you need **OVER-SIZED** goggle or glasses to fit over your current pair of glasses. These **OVER-SIZED** glasses will be required until you make arrangements for ANSI rated glasses. These can be purchased at various optical clinics or contact Lindsey for information on Olympic's Safety Glasses Program.

Last week's Bonus Question:

How many Olympic employees on this project have an OSHA 10 card or OSHA 30 card?

Answer: Depending on what project, the answers varied from 3 to 25 Oly EE's with OSHA 10 or 30 cards.

Inspect your equipment (*scaffold, aerial lifts, ladders, fall protection, electrical cords, etc., etc.*) prior to the start of each work shift.

For **inspection packets or repair tags** call **Dave Sangren @ (612) 644-3136** to have some delivered to your jobsite.

Any questions give Sturg a call (612) 221-8603

PLEASE PRINT YOUR NAME

(Foreman review sheet, verify crew members names are **legible**)

Comments:

Record to beat 378 days!!!
As of January 10, 2019 we have worked 17 days without a Lost Time Injury.
We have safely worked 23,396 hours towards our ATV goal of 150,000 hours!

Toolbox Talks winner for last week: **Jason Erickson & Tony Kollar @ The Nordic**
Jim Callicoa @ Illume & Gerardo Lopez @ Generose

This week's Bonus Question: **How many Olympic employees on this project need OVER-SIZED eyewear?**

Hint: **See Foreman**

"Building a Safer Place to Work" one week at a time.

OVER-SIZED safety eyewear over prescription glasses

ANSI rated Safety Glasses vs. Exploding 4" grinder cutting blade
