Dear Tim,

On behalf of CornerHouse and the more than 450 children and families we serve each year, I want to thank you very much for your support of our 22nd Annual Twins Event. With your support, you are a partner in assuring that the voices of children and adolescents are heard.

Your generous donation of \$1,000.00 is essential in helping us to meet our mission. As a result of your gift, we make huge changes in the lives of children and their parents. Here's what one of them had to say:

"It is just incredibly tragic how sexual abuse completely upends a person's life. We are firsthand witnesses to the devastation it causes... Our son successfully graduated from high school last spring. It was a LONG haul and at times I didn't think it was going to happen ... He still jumped from one crisis to another until the day he decided to join the military. From that point on, he really turned his life around. We have had a very stable son for the last 9 months and it is wonderful! I see a future for this son, whereas I did not for the "other" son he was after his abuse." - Parent of child interviewed at CornerHouse

CornerHouse is a 501©3 not-for profit organization. We gratefully acknowledge your gift of \$1,000.00 and, as required by law, advise you that we have not offered any goods or services for your contribution.

We have recorded your contribution as a gift from Olympic Companies, Inc.. If this is in error, please notify us immediately.

Thank you so much for your generosity. We could not do this work without you!

Sincerely,

Patricia C. Harmon, MSW  
Executive Director

Thanks for your  
support!
