**School is Starting**

The new school year is here! On your way home, pay extra attention to kids getting on and off the bus and crossing the street. They may be talking with their friends about their first day back to school and not paying attention to the traffic. We also have a batch of new teenage drivers that are driving to school, so give them the time to make wise decisions when they are on the road.

**Last week's Bonus Question:** How many first-aid kits are out of supplies on this project?

**Answer:** Answers varied by jobsite.

Inspect your equipment (*scaffold, aerial lifts, ladders, fall protection, electrical cords, etc., etc.*) prior to the start of each work shift.

For **inspection packets or repair tags** call **Dave Sangren @ (612) 644-3136** to have some delivered to your jobsite.  
**Please call Dave if your jobsite is in need of hand sanitizer, bleach cleaner, masks, etc.**  
 Any questions give Sturg a call (612) 221-8603
