

Stay Healthy

1. **Use soap** and running water*

2. **Lather** and scrub for at least 20 seconds

3. **Rinse** clean with water

4. **Dry hands**

*If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol.

Feeling Sick?

Stay home when you are sick!

If you feel unwell or have the following symptoms
please leave the building and contact your health care provider.
Then follow-up with your supervisor.

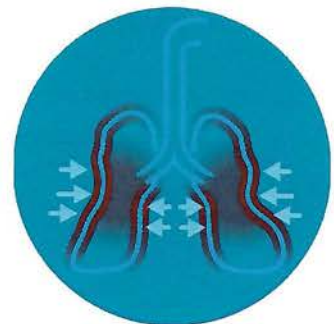

DO NOT ENTER if you have:

FEVER

COUGH

**SHORTNESS OF
BREATH**

[cdc.gov/CORONAVIRUS](https://www.cdc.gov/CORONAVIRUS)

DO choose masks that

Have two or more layers of washable, breathable fabric

Completely cover your nose and mouth

Fit snugly against the sides of your face and don't have gaps

10 things you can do to manage your COVID-19 symptoms at home

Accessible Version: <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>

If you have possible or confirmed COVID-19:

1. **Stay home** from work and school. And stay away from other public places. If you must go out, avoid using any kind of public transportation, ridesharing, or taxis.

2. **Monitor your symptoms** carefully. If your symptoms get worse, call your healthcare provider immediately.

3. **Get rest and stay hydrated.**

4. If you have a medical appointment, **call the healthcare provider** ahead of time and tell them that you have or may have COVID-19.

5. For medical emergencies, call 911 and **notify the dispatch personnel** that you have or may have COVID-19.

6. **Cover your cough and sneezes** with a tissue or use the inside of your elbow.

7. **Wash your hands often** with soap and water for at least 20 seconds or clean your hands with an alcohol-based hand sanitizer that contains at least 60% alcohol.

8. As much as possible, **stay** in a specific room and **away from other people** in your home. Also, you should use a separate bathroom, if available. If you need to be around other people in or outside of the home, wear a mask.

9. **Avoid sharing personal items** with other people in your household, like dishes, towels, and bedding.

10. **Clean all surfaces** that are touched often, like counters, tabletops, and doorknobs. Use household cleaning sprays or wipes according to the label instructions.

10 cosas que puede hacer para manejar sus síntomas de COVID-19 en casa

Versión accesible: <https://espanol.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>

Si tiene COVID-19 presunto o confirmado:

1. **Quédese en casa** y no vaya a trabajar ni a la escuela. Evite visitar otros lugares públicos. Si debe salir, evite usar transporte público, vehículos compartidos o taxis.

2. **Monitoree sus síntomas** con mucha atención. Si sus síntomas empeoran, llame de inmediato a su proveedor de atención médica.

3. **Descanse y manténgase hidratado.**

4. Si tiene una cita médica, **llame al proveedor de atención médica** antes de ir, e infórmele que tiene o podría tener COVID-19.

5. Si tiene una emergencia médica, llame al 911 y **avísele a la operadora** que tiene o podría tener COVID-19.

6. **Al toser y estornudar, cúbrase la nariz y la boca** con un pañuelo desechable o hágalo en la parte interna del codo.

7. **Lávese las manos frecuentemente** con agua y jabón por al menos 20 segundos o límpieselas con un desinfectante de manos que contenga al menos 60 % de alcohol.

8. En la medida de lo posible, **quédese en una habitación específica y alejado de las demás personas** que viven en su casa. Además, de ser posible, debería utilizar un baño separado. Si debe estar en contacto con otras personas dentro o fuera de su casa, use una mascarilla.

9. **Evite compartir artículos personales** con las demás personas en su casa, como platos, vasos, cubiertos, toallas y ropa de cama.

10. **Limpie todas las superficies** que se tocan frecuentemente, como los mesones, las mesas y las manijas de las puertas. Utilice limpiadores de uso doméstico, ya sea en rociador o toallitas, según las instrucciones de la etiqueta.

Keeping the workplace safe

Encourage our employees to...

Practice good hygiene

- Stop handshaking – use other noncontact methods of greeting
- Clean hands often
- Create habits and reminders to avoid touching their faces and cover coughs and sneezes
- Disinfect shared surfaces like lunchroom table, microwave, "SHARED" tools

Be careful with meetings / lunchrooms

- Foreman will hold smaller group meetings for TBT and Site-Specific Training and will place "X" to verify workers attendance to minimize everyone touching his iPad screen
- Limit number of workers at "cleaned" lunchroom tables
- Keep 6' distance from co-workers
- No sharing of food

Stay home if...

- If you are feeling sick, **STAY HOME!!!**

**With our combined efforts,
we will minimize the spread of this COVID-19 Virus.**
