

## Looks like winter is finally here!

With the warm/cold and snow/rain conditions, we still have slippery conditions out on our projects and at home. Make sure we take the time to clean our sidewalks and put down some salt or sand. Spring should be here soon.

# Ice is Never 100% Safe!

## Minimum Guidelines for New Clear Ice Only

### Ice Safety Tips

- Double the thickness guidelines for white or snow-covered ice.
- Carry two large nails to use as ice picks if you fall through.
- Avoid pressure ridges and areas with current.
- Warn children about the dangers of thin ice.
- Don't drive on the ice at night.
- Avoid alcoholic beverages.
