Personal Protective Equipment

Olympic is required to provide all their employees with the proper personal protective equipment to protect employees from an injury. But it is the **Olympic employee's** responsibility to wear the required PPE on projects we are working on.

Hard hats & eye protection are required on **all** projects we are working on.

Class II vests when working outside the bldg. &/or inside the bldg. if required by our General Contractors.

Hearing Protection to protect your hearing when using grinders, chop saws, cement pumps, etc., etc.....

Fall Protection equipment when exposed to a fall greater than 6 feet.

Don't risk your safety &/or your job by NOT wearing required PPE.

If your PPE is damaged &/or needs to be replaced, contact your Foreman.

Prescription eyewear is available, contact Sturg or Lindsey if you're in need.

Last week's Bonus Question: How many recordable injuries did Olympic have in 2020?

Answer: 9 - found on our 2020 OSHA 300A Log

Inspect your equipment (*scaffold, aerial lifts, ladders, fall protection, electrical cords, etc., etc..*) prior to the start of each work shift.

For inspection packets, repair tags or **SAND** call Dave Sangren @ (612) 644-3136 to have some delivered to your jobsite.

Please call Dave if your jobsite is in need of COVID supplies: hand sanitizer, bleach cleaner, masks, etc.

Any questions give Sturg a call (612) 221-8603

PLEASE PRINT YOUR NAME

(Foreman review sheet, verify crew members names are legible)
