## Spring has Sprung

As this winter leaves and spring comes in, we have new safety hazards. The walkways are more slippery, it is dark in the morning again, we have water in the building, and the sloppy mud we walked thru to go home is now GIANT frozen ruts the next morning. We constantly need to pay attention to the changes on our jobsites. Take time and use smaller steps walking on slippery walkways, spread sand on frosty walkways, get our electrical cords and materials off the wet floors, keep a flash light in your pocket for the dark walk into the building, and take it easy while walking on those frozen ruts from the lulls and delivery trucks.

**Last week's Bonus Question:** How many Oly EE's are missing their 2021 ER packet on this jobsite?

**Answer:** No one! If anyone IS missing their ER packet, please complete ASAP and place inside your hardhat.

Inspect your equipment (*scaffold, aerial lifts, ladders, fall protection, electrical cords, etc., etc..*) prior to the start of each work shift.

For inspection packets, repair tags or **SAND** call Dave Sangren @ (612) 644-3136 to have some delivered to your jobsite.  
**Please call Dave if your jobsite is in need of COVID supplies: hand sanitizer, bleach cleaner, masks, etc.**

Any questions give Sturg a call (612) 221-8603

PLEASE PRINT YOUR NAME

**(Foreman review sheet, verify crew members names are legible)**

Visit our website: [www.olympiccompanies.com](http://www.olympiccompanies.com)

Comments:

As of **March 25, 2021** we have worked **22** days without a Lost Time Injury.  
We have safely worked **34,522** hours towards our new ATV goal of **150,000** hours!

Toolbox Talks winner for last week: **Tim Backlund, Devan Nelson & Austin Peterson @ The Larking**

This week's Bonus Question: **Where is our gathering area on this jobsite in the event of a tornado?**

Hint: **See Foreman**

*"Building a Safer Place to Work" one week at a time.*

## SPRING IS HERE

### Now there are new safety issues to watch for...

We have frost/ice on our walkways in the morning.

In the afternoon we are walking through mud to go home!

**Please communicate with our GC's Superintendent to provide us safe access in and out of the project.**
