If You Are Sick

As we've heard on the TV and radio, more people are getting sick with the COVID-19 Virus. Olympic has also seen in the past three weeks, a few employees who have either tested POSITIVE or have been in "Close Contact" with someone who has tested POSITIVE for the virus. We are asking you that if you are sick or were exposed to someone that is sick, please contact your foreman before going to work. Your foreman will then contact the office for instructions and relay information to you of what you should do. Olympic does not want you to get sick, nor do we want any of our workers to get sick.

Last week's Bonus Question: Who on this jobsite do I talk to if I have a question about our stilts?

Answer: Olympics' Foreman are there to answer any questions regarding your stilts.

For **inspection packets** or **repair tags** call **Dave Sangren @ (612) 644-3136** to have some delivered to your jobsite.
Please call Dave if your jobsite is in need of hand sanitizer, bleach cleaner, masks, etc.
Any questions give Sturg a call (612) 221-8603

PLEASE PRINT YOUR NAME!!!
