Date: November 29, 2021	FAX THIS SHEET IN TO THE OFFICE AFTER YOUR MEETING!!!	
Project Number#:	Job Name:	Person Conducting Meeting:

Jobsite Inspection

Foreman, please have one of your crew members take the inspection sheet and walk our work area. Please have them look for safety/health hazards that we may be exposed to. At break time, review the findings with your crew and come up with a way to abate any hazards. If a hazard has to do with the GC or another trade, request that they remove the hazard to ensure no one on this jobsite is injured.

Please return both the sign-in sheet and the Jobsite Inspection sheet after lunch break.

We just came off a long Thanksgiving weekend. We did our best to practice social distancing with our families and friends. We used hand sanitizer going in and out of stores, we kept the lawn chairs 6 feet away from each other when we sat around the campfire and limited the size of family we had over for dinner. **Now we need to continue with the same practices to protect our co-workers, as we used to protect our family and friends.**

Keep 6' away from each other. Wear your masks when required. Wash your hands. Keep our lunchrooms clean.

Last week's Bonus Question: What are the top 4 hazards that injure construction workers?

Answer: Falls, Struck-by, Caught-n & Electrocutions

For **inspection packets or repair tags** call **Dave Sangren @ (612) 644-3136** to have some delivered to your jobsite.

Please call Dave if your jobsite is in need of hand sanitizer, bleach cleaner, masks, etc.

Any questions give Sturg a call (612) 221-8603

PLEASE PRINT YOUR NAME!!!
